Happy 50th Anniversary!

Today, County Boards of Developmental Disabilities in Ohio celebrate 50 years of services. We were established on October 25, 1967. Special thanks to all the parents and family members who had the foresight to establish locally based Boards to provide these services. While much progress has been made over these past 50 years, we still have many opportunities for continued growth. Thanks also to all the staff, providers, volunteers and the citizens of Franklin County who have played such an important role in our development. **Happy 50th Anniversary!**

October Board Meeting
