

Agency's job placement efforts successful

With the help of FCBDD's Job Placement Department, nearly 400 individuals with developmental disabilities are competitively employed in Franklin County. Several hundred more are employed in enclaves in the community.

According to Laurie Green-Lauber, who manages the department, the agency's efforts to develop community job opportunities have been underway since 1982.

"We're very proud of our record in placing quality employees into responsible positions," she said. "Of course, we depend on scores of businesses to provide these opportunities."

One of the many success stories is the case of Melissa Reineke. She began

Melissa Reineke

working as a Courtesy Clerk for Kroger in 1989. Last year,

she was inducted into the Kroger Hall of Fame.

The induction ceremony was held at the Aladdin Shrine Temple. Among those in attendance was Ohio State Football coach Jim Tressel.

Melissa thanked those who "have taken the time to work with me."

The role of the Job Placement Department varies depending on an individual's needs, but typically includes assistance with finding an appropriate job, training, ongoing support and counseling.

In future issues, *Dateline* will feature other employees who are enjoying success with support from FCBDD's Job Placement Department.

Retirement beckons for Claudia Ross

by Cathy Hutzel

Claudia Ross, who has served as the Director of FCBDD's Employment Services Department since 2007, retired at the end of May after 27 years with the agency.

Claudia started her career with FCBDD as a program manager in 1984. She had previously worked for the state as a case manager.

In 1993, Claudia became Coordinator of Transition Counseling Services. In 2002, she was promoted to manager of the Job Placement Department.

Claudia has overseen FCBDD's collaborative efforts with the Rehabilitation Services Commission, led several competitive employment projects, including Life Works, Career

Camp, Bridges to Transition and Ticket to Work.

A highlight of her career has been "being part of a huge change in the availability of services and supports to individuals with disabilities," she said. "There were few services available in the community before deinstitutionalization."

Commenting on Claudia's service, Superintendent Jed Morison said, "Claudia has provided outstanding leadership for the past 30 years. She certainly will be missed."

According to FCBDD Program Director Marcy Samuel, Claudia is "an incredibly competent, talented individual... we wish her well in all that she does."

We wish Claudia much happiness in her well-deserved retirement.

Rep. Duffey visits FCBDD

State Representative Mike Duffey paid a visit to FCBDD on May 9th. He took a tour of West Central School, ARC Industries West and early childhood programs.

Serving his first term in the House, Representative Duffey represents the 21st District, which includes Worthington, Minerva Park and northern areas of Columbus.

Superintendent Jed Morison accompanied Representative Duffey on the tour, and commented that, "Representative Duffey showed a strong interest in our services."

Transition program up and running

Two staff members of FCBDD's Employment Services Department have been tabbed to coordinate a transition program for those moving from school to work.

Patty Jordan and Nancy Rinehart are coordinators for *Bridges to Transition*, a program to provide training and resources needed to ensure a successful transition from school to work for individuals with developmental disabilities ages 14 to 22.

It is a joint project among the Rehabilitation Services Commission (RSC), Ohio Association of County Boards, FCBDD, and local school districts.

To be eligible for the services, an individual must be between the ages of 14 and 22, receive services under an Individualized Plan for education, and be eligible for services through FCBDD as well as RSC. Services include counseling, career exploration, prevocational skill

Rose Sawyers retires after 40 years

FCBDD's most senior staff member retired at the end of May. After more than 40 years in the Transportation Department, Rose Sawyers says she has had a rewarding career.

"I've enjoyed coming here every day," she said. "I will miss a lot of people."

Rosie, as she is affectionately known, joined the agency in 1971. She was then the only fulltime office worker in the Transportation Department, and reported to Director Bea McDonald. The old ARC North facility on Indianola Avenue served as the base of operations at that time.

She feels that she got along well with co-workers, parents and others. "I'm always straightforward. What you see is what you get."

Superintendent Jed Morison commented: "I'm not really sure how we'll manage without Rosie. She has been one of the most dedicated employees I've ever known."

In retirement, Rosie plans to spend more time with her family, including her husband, Jim, son Jim, and three grandchildren.

We wish Rosie the very best!

Wet spring doesn't dampen Flyers' spirit

by Ryan Phillips

The weather hasn't been on the side of sports, but athletes and coaches have persevered and achieved great success at recent tournaments. Athletes from the track, tennis, powerlifting, and bocce teams competed at Denison University on May 1st. Shanae Gray was a standout that day, winning the 100 meter race with a time of 15.84 seconds.

One week later, athletes competed at the Columbus Classic. The rain held off until the late afternoon, and the athletes gave stellar performances. Building on success from the Columbus Classic, the volleyball team had an excellent showing at the Amanda meet on May 14th, where Flyers teams won 1st, 3rd, and 4th place medals.

These tournaments have been excellent preparation for Special Olympics Ohio State Summer Games. Rollerskating, bowling, and gymnastics will round out the Flyers delegation for Summer Games, which will be held

June 24th, 25th, and 26th at Ohio State University. Our athletes will continue to show their Flyers' spirit - rain or shine!

Notable Achievements in the FCBDD Community

The weather on Saturday morning, April 30th, was perfect for running, and 130 staff and family members took advantage by participating in Lace-up for the Levy. The 5-kilometer run/ walk at Wolfe Park generated over \$1,800 for the Citizens Committee for Persons with Developmental Disabilities. Congratulations to **Sarah Gillilan** and all the **Early Childhood volunteers** who made this event such a success!

A highlight of the past school year at Brook Elementary School was a guest appearance by **Lindsey Gantzer** at a school assembly devoted to tolerance and acceptance. Lindsey, a Dublin resident, spoke briefly about her condition, Down Syndrome, and ended by saying, "Life would be pretty boring if everyone was exactly the same." Great job, Lindsey!

FCBDD President **Helen Ninos** offered a special note of thanks to agency staff members at the monthly meeting on May 19th. "The board is very grateful for the staff's support of Operation Feed and to Michael Davis for the outstanding leadership he's provided," she said. The total raised in the food drive this year was a new record, 5,140 pounds of food and \$25,285 in cash.

Phillis Jaccaud, a staff member at ARC Industries South, enjoys writing poetry in her free time. The recent heroic success of the U.S. Special Forces inspired her to write, "It Is Done." An excerpt follows: "It's a bittersweet occasion, but at last we praise the day. May God bless our fighting soldiers. God bless the U.S.A."

Superintendent **Jed Morison** was honored by the Ohio State University Nisonger Center for his service as Chairperson of the center's Consumer

Advisory Council since 2005. The Superintendent received a Certificate of Appreciation.

ARC Industries South employee **Marci Straughter** was featured in the Spring issue of *Signs, Wonders and Miracles* magazine. Her smiling face even appeared on the cover page. Marci is a member of the Self-Advocate Advisory Council.

Ten FCBDD staff members found an unusual way to show their support for the Special Olympics on May 20th. They rappelled down the 22-story Renaissance Hotel in downtown Columbus as part of a fundraiser called **Over the Edge**. A total of almost \$30,000 was raised. The thrill-seeking staff members were: **Stacie Black, Marianne Bobo, Allison Davis, Jennifer Hicks, Kristen Hicks, Patty Jordan, Julie Kaber, Rick Konkoskia, Winston Tidwell** and **Carla Wills May**.
