Conflict Free Planning Continues

Dot Yeager, FCBDD Chief Business Officer and Marcy Samuel, FCBDD Director of Program Operations, continue to work on the development of a plan related to the Conflict Free Case Management ruling from the federal Centers for Medicare and Medicaid Services (CMS). CMS has said:

--County Boards in Ohio will have until March, 2024 to help individuals who receive services from County Boards to transition to new providers

--County Boards can continue to provide services to new individuals only when no other qualified (certified) provider is willing to do so. CMS will require documentation to support the fact that no other qualified provider agreed to support the individual.

Suggestions on the plan can be emailed to dot.yeager@fcbdd.org or marcy.samuel@fcbdd.org.
