Graduation Ceremonies Held for PIECE Program with OSU

Graduation ceremonies were held today for the participants in the PIECE (Pre-vocational, Integrated Education and Campus Experience) pilot program, held at The Ohio State University this summer in partnership with FCBDD. Congratulations to all the individuals who participated from the FCBDD workshops and Living Skills Centers, their families who supported the effort, FCBDD staff and OSU staff. Special thanks to Natalie Herman, FCBDD Supervisor, Bob Gaston, Adult Services Director and Margo Izzo, Nisonger Center/OSU Program Director for the leadership in establishing and implementing this innovative program. Superintendent Morison provided comments at the ceremonies, indicating he hopes we can build on this pilot project and continue next year.
