'Helping people to live, learn and work in our community'

### NewsBits

#### Guardian Training

Due to the overwhelming response, we have filled both sessions for the guardian training on October 28 and 29. We cannot register any more. We do plan to offer another session and will communicate details. We will confirm if you are registered or not with those who have contacted us by phone or sent in the registration form. Your patience is appreciated as we work to respond to those who have expressed interest.
