#### ARC Singers at Harmony Project Performance

**Awesome** is the best way to describe the performance of the ARC Singers at the Harmony Project show on Tuesday night at the Ohio Theater. The ARC singers were joined by the Commons in Harmony to perform '*Lean on Me*' in the first song of the evening before a sold out audience of over 2500. The singers opened the show before the outstanding performance of the 220 member Harmony Project Choir. Congratulations to Nan Burns, Director of ARC North, for arranging for the singers to participate and to the ARC singers for the wonderful display of talent.
