'Helping people to live, learn and work in our community'

Sunapple Studios at Winterfair

SUNAPPLE STUDIOS of ARC Industries will be at **Winterfair** December 4, 5, and 6th and the booth will be up in the front row! A large portion of the "Hero Within" art installation will also be featured so if you did not get a chance to get to the Cultural Arts Center, you still can see some of what the artists created!!

Winterfair is held at the Multipurpose Building at the Ohio State Fairgrounds from 10am-7pm on Friday and Saturday and from 11am-4pm on Sunday. This is a great opportunity for holiday shopping!
