SUPERINTENDENT REPORT

- We were very pleased with the levy results. The final vote count indicated an 81% approval, which is 10% greater than our best previous result. We appreciate the Board's support, including our request to go on the ballot in 2017, rather than 2018, which allows for better long term planning.

- The 10-year levy that was renewed will be effective from 2019 through 2028.

- The Ohio Association of County Boards will have their annual convention on November 29th through December 1st. Please let Jed Morison or Amy Magginis know if you would like to attend all or part of the conference.

- We continue to discuss the transportation concept that was explained and communicated in October. We anticipate having a plan for Board consideration in January.

- Our Self-Advocate Advisory Council will meet on December 14th at 10:00 a.m.

- Our locations/ departments are all planning holiday parties. Staff do a great job planning these events.

- The Commissioners are considering budgets for 2018. We expect news on this in the next month.

- In January, we will have our annual organizational meeting, which will include election of officers. If Board follows past practice, Mr. Bickley will be elected President for 2 years.

- We have begun work on the development of our Annual Action Plan for 2018. We have scheduled a public hearing for 4:00 p.m. on December 11, 2017. We expect to bring the plan to the Board in our January meeting.

- We do not have a regular Board meeting scheduled for December, however if a special Board meeting is required, we will poll Board members on schedules.
