Family Support Meeting

The December Family Support meeting for the Franklin County Board of Developmental Disabilities (FCBDD) will take place on Wednesday, December 19, 2018, beginning at 10:00 a.m. at 2879 Johnstown Road, Columbus. The meeting is open to family members of individuals served by FCBDD. Superintendent Morison will provide updates and will receive feedback from family members.

Sean Patterson Featured on Bone Marrow Drive

Congratulations to Sean Patterson, Service Coordinator for the Franklin County Board of Developmental Disabilities, who was recently featured on television for his support of bone marrow donations. Sean was a donor himself and said *"the minor discomfort we may have going through the procedure of donating marrow or stem cells is worth it compared to what recipients have to go through day in and day out."*
