Dot explained to Board members, the requirement of the Auditor, for Board members to approve bill payments made each month. Dot reviewed expenditures by program category for March 2020. Our year to date revenue through March 31, 2020 is at 49.1% and expenditures are at 23.8%, these numbers are on track. We have received the first installment of the Real Estate income. Superintendent Morison commented that we will need to carefully follow finances for the remainder of the year, including property taxes, due to the COVID-19 Pandemic.

Human Resources & Ethics Report: Human Resources Director David Ott provided the Human Resources report to the Board members. Several Service Coordinators and a few other staff have been hired during the month of March. The month of April and May will show a great reduction in the number of hires due to the COVID-19 Pandemic. Our staff are effectively working remotely with technology. All departments are working and open. Schools are using remote operations and distance learning. Operation Feed donations have reached almost $2000.
SUPERINTENDENT REPORT

- Thanks to Board for meeting through teleconference again and the Board In-Service.
- Just a reminder that our May Board meeting will be at 11:30 a.m. on May 14 and will include Board In-Service and meeting.
- Staff continue to do an excellent job providing services, almost exclusively remotely. We are learning new ways of doing things.
- Preschool and school buildings will be closed until the end of the school year due to COVID-19 and the Governor’s order. We will continue to do distance learning.
- We are sorry to report that Jean Williams, former Board member, recently passed away.
- Special Olympics sports and the State Summer Games has been cancelled due to the Pandemic.
- Dot Yeager and Superintendent Morison continue to meet with the Commissioners and Health Commissioner and other Elected Officials and County Executives on a daily basis, seven days a week during this Pandemic. The Superintendent has a daily meeting with other Superintendents.
- We still have not heard definitely about the Enhanced FMAP (Federal Medicaid Assistance Percentage) due to COVID-19. If additional funds are paid by federal government, we will have savings that can be directed to Providers or for other purposes.
- We have implemented the pilot program that the Board approved for Providers who have individuals who are required to be quarantined.
- While our services are provided to over 10,000 individuals with developmental disabilities in Franklin County, we are pleased we are only aware of six confirmed cases of COVID-19.
