

Franklin County Board of Developmental Disabilities

'Helping people to live, learn and work in our community'

NewsBits

October is National Employment Disability Month

October is National Disability Employment Awareness Month. The theme for 2021 is: "America's Recovery: Powered by Inclusion," which reflects the importance of ensuring that people with intellectual and developmental disabilities (IDD) have full access to employment and community involvement during the national recovery from the COVID-19 pandemic.

We are fortunate in Franklin County to have organizations like ARC Industries and Goodwill Columbus who support employment opportunities. For additional details on Disability Employment Month, click on the link below:
