The Ohio ISP in Franklin County-October 24, 2023

Ohio Family to Family invites you to a workshop about the new Ohio ISP. Why did the Individual Service Plan change? How is the new one different from or better than the old one? How can it be used by your child's support team to make their life better?

Joining us for this event will be Crystal Schneider with the Franklin County Board of Developmental Disabilities, and Robyn Norman with the Ohio Department of Developmental Disabilities. Bring your questions about the new OISP and join the conversation! Invite your child's SSA and other members of your support team to tune in with you.
