Announcement from Michael Underwood, Board President

We are pleased to announce that Dot Yeager, Chief Business Officer, has been appointed to be the next Superintendent/CEO for the Franklin County Board of Developmental Disabilities, effective January 1, 2024 through December 31, 2028.

Dot comes to the position with excellent credentials. For the past 21 years, Dot has worked side by side with Jed Morison as Chief Financial Officer and Chief Business Officer. In these roles, she has been involved in just about every decision impacting services and finances of the Board. Her steady leadership is a big reason services, staffing and finances remain stable.

Dot has a Masters in Business Administration from Franklin University and she maintains Superintendent Certification from the Ohio Department of Developmental Disabilities. Her previous experience includes work for the Governor of the State of West Virginia and service as an Audit Manager with Deloitte.

Dot's background and previous work with the Board will allow her to "hit the ground running" as we continue to support over 12,000 children and adults who have developmental disabilities in our county. After an extensive search and interview process, we know Dot is the right person for the job.

Please join me in congratulating Dot as she works with Jed on transition planning and begins her new role. On behalf of our Board, we thank you all for your support and look forward to another good year in 2024.

Sincerely,
Michael Underwood
President
