COVID Tests Available

COVID cases seem to be on the rise as we head into the winter holidays.

Did you know that every home in the U.S. is eligible to order an additional 4 free at-home tests beginning November 20? If you did not order tests this fall, you may place two orders for a total of 8 tests.

Please see the following link for details: <https://www.covid.gov/tools-and-resources/resources/tests> or call [1-800-232-0233](tel:1-800-232-0233) (TTY [1-888-720-7489](tel:1-888-720-7489)).
